

WELDING LEVEL 2 SUMMER CAMP

Take your welding skills to the next level with our middle school advanced welding camp! Designed for those who have completed a beginner camp, this program focuses on enhancing techniques in plasma cutting, gas metal arc welding, or shielded metal arc welding.

You'll tackle projects to showcase your skills and deepen your understanding of welding. Discover rewarding opportunities in a career as a Welder and Metal Fabricator!

Safety Clothing Requirements: Long-sleeved cotton shirts, jeans that can be worn over the boots (no rips or frays), high cotton socks, and leather steel-toed work boots are required.

Open to any student within COPESD entering Grades 7-9 in fall 2025!

June 16-17, 2025

9:30AM - 3:00PM

Industrial Arts Institute
20902 Washington St.
Onaway, MI

Registration opens May 1, 2025
