

Indoor Aerial Drone Challenge

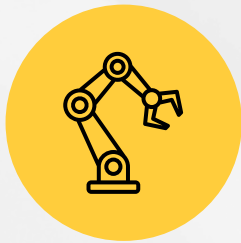

July 21-22, 2025

9:30AM - 3:00PM

Industrial Arts Institute

20902 Washington St., Onaway, MI

Open to any student within COP ESD entering Grades 7-9 in fall 2025!

Field trip to explore robotics, engaging with leading professionals in the field.

Campers gain skills, insights, and inspiration for future studies or careers in drone technology.

Activities include exploring principles of flight, coding and piloting drones. Collaborate on projects and showcase skills.

Learn the secrets behind drones, roles they play in business and industry, and applications that revolutionize various fields.

**REGISTRATION
OPENS MAY 1, 2025**
