WIRED FOR SUCCESS:
EXPLORING ELECTRICITY!

Open to any student within COPESD entering Grades 7-9 in fall 2026!

Registration opens May 1, 2026

Register at:**bit.ly/41j7FhV**

Join us for a hands-on camp where you'll learn the fundamentals of working safely with electricity while gaining practical skills used by electrical professionals.

- Understand electrical circuits – Learn about common components, devices, and safety practices.
- Build and test circuits – Wire and troubleshoot basic electrical circuits using a digital multimeter.
- Hands-on wiring projects – Wire an electrical outlet, switch, and light.
- Industry experience – Tour Presque Isle Electric to explore real-world applications and career opportunities in the electrical field.

This camp is perfect for students interested in learning essential electrical skills and exploring careers in the industry!

June 15-16, 2026

9:30AM - 3:00PM

Industrial Arts Institute
20902 Washington St.
Onaway, MI
