## Benefits of Community Partnerships with GSRP

## Funding

Typically there are 16 children and 2 adults. Ratio must be 8:1.

**School Day Funding** - \$8,743 per student  
4 days a week/ 30 weeks minimum

**Extended Learning Funding** - \$10,492  
5 days a week/ 36 weeks minimum  
\*\*must allow for planning

Additional funds MAY be available for transportation, curriculum, assessment, and screening needs.

*Based on FY 24 Funding*

## Benefits to your Child Care Center or School District

- Increases enrollment by attracting families to Pre-K programming.
- Opportunity to keep families in district for Kindergarten and beyond.
- Funding aligns with K-12 per pupil allowance
- Braided funding opportunities
- Access to high-quality programming aimed at PreK and K readiness.
- Program coaching that supports staff in providing high-quality opportunities for children.
- Professional Learning sessions that include 3 data meetings to look at local and regional data trends.
- ISD promotion to community stakeholders
- Preschool Partnership provides recruitment and enrollment support.
- Support transition to Universal Pre K.

## Family Benefits

- Provide opportunities for children to develop and grow using developmentally appropriate practices in a play-based curriculum.
- Families have the opportunity to meet with preschool staff 4 times during the school year to talk about their child's growth and development.
- Families are invited to participate in leadership roles such as advisory committees and parent engagement events.
- Provides convenience of one drop off/pick up location for a family having multiple children who attend the same school building.
- Increases access to GSRP benefits of a high-quality preschool environment.
- Facilitates a smooth transition to Kindergarten.

New GSRP Program Application
