In-network providers

Most eye doctors are in VSP's Choice network. Staying in-network makes sure you get the most value from your benefits and limits your out-of-pocket costs. In-network doctors bill VSP directly as a convenience to you. A directory of Choice network doctors is available at messa.org or vsp.com. Call VSP member services at 800-877-7195 for assistance.

Out-of-network providers (Maximum reimbursement to patient)

If you choose to see a doctor who is not in the VSP Choice network, your out-of-pocket costs will likely be higher and you must submit the itemized receipts to VSP for reimbursement. For more information, visit vsp.com or call VSP member services at 800-877-7195.
